As if I can be judged by the color of my face**

**But I am more than my skin**

**And many faces**

**They ask me to write down my race.**

**They ask me  
About my race  
I didn't like it.  
It makes me feel terrible, sad.  
It makes me mad.  
It makes me and my family  
Want to go back  
To Puerto Rico  
And just  
Stay there.**
